

Ao INMETRO, IPEM e Postos autorizados de Cronotacógrafos (PACs)

A PST Eletrônica vem através desta notificar a divergência na informação de número de série que é mostrado na etiqueta de determinadas unidades do cronotacógrafo modelo TC100. Essa divergência está presente apenas na etiqueta, visto que o número de série impresso na fita diagrama está correto e de acordo com os dados da verificação inicial.

As unidades afetadas estão restritas ao código de peça 013211000 produzidos entre 17 de outubro de 2023 e 09 de novembro de 2023, totalizando 459 unidades.

A divergência encontrada na etiqueta pode ser observada no Anexo I.

A lista com os números de peça e números de série das unidades que apresentam a divergência pode ser observada no Anexo II.

Cordialmente,

Engenharia de Produtos
Pósitron Stoneridge
